1 INTRODUCTION

1.1 Overview

- The Lok Sabha is composed of representatives of people chosen by direct election on the basis of Universal Adult Suffrage. The Constitution of India allows for a maximum of 550 members in the House, with 530 members representing the States and 20 representing the Union Territories. The 17th Lok Sabha was formed by the members elected in the 2019 Indian general election. Elections, all across India, were conducted in seven phases from 11 April 2019 to 19 May 2019 by the Election Commission of India.

- The Bharatiya Janata Party received 37.36% of the vote, the highest vote share by a political party since the 1989 general election, and won 303 seats, further increasing its substantial majority. In addition, the BJP-led National Democratic Alliance (NDA) won 353 seats.

4 ADVANTAGES & DISADVANTAGES

Advantages

- Lots of public money and time of govt officials involved in conducting elections will be saved.
- The money and muscle power used by political parties will substantially reduce.
- People are free for next five years.
- To know who is the winners of the election.
- People came to know about how many votes have been placed for each party wise.

Disadvantages

- Of course many states will have to compromise on its lifetime of 5 years.
- Country have federal setup by these simultaneous elections may lead to a two party system.
- People don’t have chance to punish a government say for example. They may have selected a party to rule their state may punish them in the central government elections will not be possible. They have to select both at a single time.
